CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Physician Assistant.

2. The Executive Director has authority to enter into this consent agreement to limit the physician assistant's ability to practice based upon evidence that he is unable to safely engage in the performance of health care tasks pursuant to A.R.S. § 32-2505(C)(23) and § 32-2551(E). There has been no finding of unprofessional conduct against Physician Assistant.

ORDER

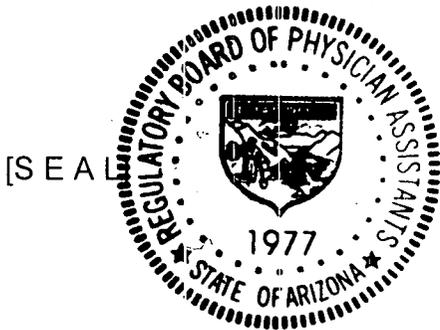

IT IS HEREBY ORDERED THAT:

1. Physician Assistant's practice is limited in that he shall not perform health care tasks in the State of Arizona and is prohibited from prescribing any form of treatment including prescription medications until Physician Assistant applies to the Board and receives permission to do so. The Board may require any combination of staff approved assessments, evaluations, treatments, examinations or interviews it finds necessary to assist in determining whether Physician Assistant is able to safely resume such practice.

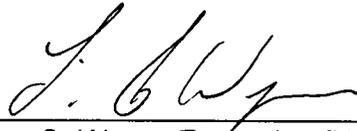

2. Physician Assistant may be assessed the costs of the contractor's fees associated with this agreement at time service is rendered, if required, or within 30 days of each invoice sent to Physician Assistant.

3. The Board retains jurisdiction and may initiate a separate disciplinary action based on the facts and circumstances that form the basis for this practice limitation or any violation of this Consent Agreement.

1 DATED this 10th day of SEPT, 2010.
