

#### DEATH CERTIFICATE ORIENTATION:

The Arizona Department of Health Services, Office of Vital Records would like you to be aware of a web site where you can receive orientation to the death certification process you will need to follow beginning on January 1, 2011.

Please [click here](#) or type the following web address into your Internet browser:  
<http://www.tinyurl.com/azdocs>.

Once you have arrived at the web site, click on "Launch" to the right of the item you wish to view. The first item on the list is a video that will walk you through the death certification process. The second item is a link to the CDC's web site where you can access or download instructions on how to write a good cause of death statement on a death certificate. The third is a list of all of the funeral homes that are currently using the Arizona electronic death registry system and their contact information.

After reviewing the information on this web site, if you still have questions, please call your local county health department or the State Office of Vital Records Death Registry Section at 602-364-1245.
